## RELEVANT EXPERIENCE

---

**Full Stack Developer** | BoomerRoomers | United States | 07/2024 - 09/2024

Continuously enhanced and maintained an interactive and responsive site with hundreds of active users. Handled data storage and retrieval and managed server-side logic, APIs, and version control across 3 repositories using GitHub. Collaborated with cross-functional teams, participated in weekly code reviews, and constantly learned and adopted new technologies to deliver high-quality software solutions.

**Software Engineer Intern** | i4software | United States | 07/2023 - 09/2023

Led the rapid launch of multiple full-stack applications with a team of 20+ developer interns, meeting one-week deadlines. Contributed to the timely release of 20+ mobile apps, emphasizing swift execution and project efficiency. Shipped 10+ MVP apps as a team with strict deadlines.

**Full Stack Software Engineer** | Self-Employed | New York City, NY | 09/2021 - Present

Worked with some of the tech industry's most used programming languages and frameworks in developing multiple apps and sites in both front and backend. Developed projects, including:

- *Pokemon Teams* | Built with Liquid, CSS3, JavaScript, Express, MongoDB, NodeJS  
Pokemon Teams is a Full Stack App allowing users to create their own Pokemon Teams using information from an external API.
- *AIC-Visit* | Built with Liquid, CSS3, JavaScript, Express, MongoDB, NodeJS  
AIC-Visit is a full-stack app that allows users to browse art from around the world and create their own galleries thanks to the external API of the Art Institute of Chicago.
- *Project 3W* | Built with Express, React, Node.js and MongoDB  
MERN Stack application that allows the users to create their own goals list and share it with the community (or keep it private if they prefer).

**Manager** | Asmana Wellness World | Florence, Italy | 06/2015 - 09/2021

Demonstrated exceptional growth within the organization, promoted from Spa Attendant to Team Manager. Proficiently assisted and supported an average of 7,000 spa hosts daily. Skillfully trained and managed a dynamic team of 10+ individuals in a fast-paced environment. Refined mastery in problem-solving, managerial, and team-working skills.

## EDUCATION

---

**General Assembly** | Software Engineering Immersive | Remote, United States | 03/2023

**I.I.S. Elsa Morante** | Social Sciences | Florence, Italy | 07/2014
